7 DAY ACCOUNTS are net 30 days with 7% discount if paid within 7 days of the invoice date. We consider this the same as our "CASH" discount. However, if your payment is not "POSTMARKED" within 7 days of our invoice date then you would lose the 7% discount. Depending on your zone, UPS delivery can take from 2 to 6 days. This account may be good for small companies who can send a check within a day after the merchandise arrives. This account will be billed from our "Regular Price" Column and the Customer deducts the 7 % discount if paid within 7 days.
